ELECTION PETITION

The Petition of WALINASE NYIRONGO a Zambian National who resides at Plot 10. 2191, Old Nkrumah, Kabwe in the Central Province of the Republic of Zambia and for purposes of this Petition, his address for service is Messrs. Malisa and Partners Legal Practitioners of Plot No. 8A Kawama Road, Off Mosi-Oa-Tuma Road, Woodlands in the City and Province of Lusaka.

1. Your Petitioner was a candidate in the Parliamentary Election for Bwacha North Constituency in Kabwe District of the Central Province of the Republic of Zambia having been duly nominated for the election to which this Petition relates.

2. Your Petitioner states that the election to which this Petition relates was held on the 13th day of August 2026, when your Petitioner, Walinase Nyirongo, and the Ist Respondent, Percy Chato, along with three others were candidates, and the 2nd Respondent's Returning Officer ("the Returning Officer") a Mr. Winstone Kasonkomona, did on the 17th of August 2026, declare the 1st Respondent as the duly elected member of Parliament for Bwacha North Constituency.

3. Your Petitioner therefore challenges the declaration of the 1st Respondent as a duly elected Member of Parliament for Bwacha Constituency on the following grounds:

3.1 The result of the election declared by the Returning Officer on the 17th day of August 2026 was not a true and accurate reflection of the Yates Validly cast and recorded at all 73 polling stations in Bwacha Constituency.

3.2 There was non-compliance with Sections 67, 72(1)(6), and 92 of the Electoral Process Act, No. 35 of 2016, as well as Section 3(e), (g) and U) the Electoral Code of Conduct, in the conduct, tallying, verification, and declaration of the results of the said election.

3.3 The said non-compliance, acts and omissions affected the outcome of the election, in that the declared result was arrived at without the verification of results from 11 of the 73 polling stations, and is at variance with the results recorded on the Form GEN 20a from the said polling stations.

3.4 The declaration by the 2nd Respondent is a total fabrication as it is not based on actual results obtained and recorded from the 73 polling stations in the Constituency

and your Petitioner further says that:

(a) On polling day, 13th August, 2026, the Petitioner arrived at Rapheal Kombe Girls Secondary School polling station at approximately 10:30 hours to cast his vote the at the station, the Petitioner noticed a gentleman, later identified as Richard Mulenga, a known associate of the 1st Respondent, who appeared to be following the Petitioner after successful casting his vote, the Petitioner noticed the said Richard Mulenga heading to white Toyota Corolla vehicle.

(b) While Richard Mulenga stood near the said vehicle, the Petitioner noticed another man whom the Petitioner was unable to identify, suspiciously standing near a different white Toyota corolla. Shortly thereafter, the Petitioner saw Richard mulenga signaling to a group of individuals who are known to be cadres of the United Party for National Development (UPND cadres).

(c) The Petitioner departed the polling station in his ,-elude but soon realized that two vehicles were following him. Upon reaching his residence, the Petitioner received a phone call from an unknown number warning the Petitioner that he was in danger by mis information, the Petitioner immediately infom1ed his wife and his campaign team of six members. Together, they all quickly got our of the house, entered and squeezed into the Mercedes Benz GLS, registration number WAL 11 ZM, and drove off in the northern direction towards Ndola road.

(d) While driving, the Petitioner noticed three vehicles, one Toyota Corolla and two 4x4s pursuing him From one of the vehicles he identified a known UPND cadre, by the name of James Thole. In an attempt evade the pursuers, the Petitioner drove at lugh speed, branched into the bush, and later rejoined the highway. Once the Petitioner confirmed the pursuers had abandoned the chase, the Petitioner stopped and parked at a factory just before reaching Kapiri Mponshi.

(e) While parked at the factory, the Petitioner began coordinating a vote protection team comprising approximately 24 taxi drivers. Their role was, to transport the polling agents to and from the polling stations, collect the Gen 20a Forms, and escort the ballot papers to the totaling center. Feeling vulnerable, the Petitioner contacted two taxi drivers to assist in relocating him and his team to an apartment in the outskirts of Kabwe, where they remained until the close of voting.

(f) While at the aparm1ent, the Petitioner received continuous updates from his agents. One report indicated that random attacks had begun at several polling stations. In particular, his agent David mulenga, accredited to the totaling center, was confronted and falsely accused of vote-buying by a UPND cadre after casting his vote at Kawama Council Offices polling station.

(g) After the confrontation, David Mulenga, accompanied by two friends, left the polling station and started heading towards Bwacha Police Station for safety but was pursued by the said CPND cadre. Upon arrival, the UPND cadre accused David Mulenga of buying leading co his detention until the 15th August, 2026, when he was released on police bond.

(h) Later, while at his apartment, the Petitioner was infom1ed by one of his agents that voting had closed and that ballot papers were being transported to the Totaling Centre. Having confirmed that his agents had collected all the Form GEN 20a copies from the polling stations, the Petitioner proceeded to join them at the Totaling Centre. Upon his arrival at the Totaling Centre, the Returning Officer for the 2nd Respondent commenced entering and projecting the election results.

(i) On Friday 14th august, 2026, during the tallying process at the totaling center, the assistant co the Returning Officer announced that e elopes marked 'E', 'F' and 'G' were missing and locked inside a ballot box. The Petitioner subsequently objected and demanded disclosure of contents of the said envelopes. The assistant hesitated co respond but eventually stated that envelope 'G' contained the Gen 20a Forms for Bwacha High School polling station in Ngugu ward.

G)The Petitioner then requested for the envelope marked 'G' to be opened. Upon opening, the envelope was found empty. Thereafter, the presiding officer for tl1at polling station produced a personal blue folder containing the Gen 20a Forms. The Petitioner and his agents examined tl1ose Gen 20a Forms and it was obsessed that the signatures on those Gen 20a Forn1s differed from the ones obtained by the Petitioner's agents at the polling station, though the results appeared identical.

(k)Disgruntled by the objection, the 2nd Respondent's officer subsequently suspended the tallying and announcing of results for approximately two hours. The counting later resumed, and results from 54 of the 73 polling stations were announced.

0)On monday morning of Saturday, 15th August 2026, cadres belonging to the UPND attempted to srorn1 tl1e main gate of the Constituency Totaling Centre at Boma Hall, Provincial Headquarters, compelling the police to discharge tear gas co restore order. Consequently, an officer of the 2nd Respondent, acting on instructions from the District Electoral Officer, suspended the announcement of results due to outbreak of violence in the district though all election stakeholders were directed to evacuate the Totaling Centre, the Petitioner and his agents remained on the premises overnight.

(m) On Sunday, 16th, August, 2026, when the announcement of results resumed, 8 additional polling stations were tallied, bringing the total of 62 out of 73 polling stations. At that stage, the Petitioner had secured 10,877 votes while the 1st Respondent had 5,916 votes out of 19,187 total votes cast. It was during this process that a mob, including a shirtless individual, stormed the totaling center under police escort and attacked those present, including the Petitioner.

(n) The totaling center was subsequently ransacked and vandalized, with teargas smoke engulfing the venue. During the chaos, officials of the 2nd Respondent, stakeholders, and polling agents including the Petitioner's wife, were forced to flee, some escaping through windows, leaving the center abandoned.

(o) On Monday morning, 17th august 2026, the Petitioner was informed by candidates for council elections, namely Clement Mumba and Francilia Mwape that the announcement of results would resume at the Totaling Centre. The Petitioner did not attend personally but sent his polling agents and the around 15:00 hours. Upon arrival, his wife discerned that the 2nd Respondent officer had already concluded announcing the Presidential election results.

(p) Thereafter, the Petitioner was informed by his agent that the 2nd Respondent's officer proceeded to announce results for mayoral election. Following this, the returning officer instructed all the stakeholders present to Vacate the hall, and go outside. He then declared the results for Member of Parliament for Bwacha North Constituency without tallying or Verifying the results from the remaining 11 of the 73 polling stations that had not been accounted for at the time of the attack on the 16th August, 2026.

(q) The results so announced when making the final declaration were as follows: Nyirongo Walinase (NRPUP) with 11,663 votes, Chato Percy (UPND) with 12,386 votes, Chileshe Prince (Independent) with 1,384 votes, nsofwa B. Gabriel (CF) with 546 votes and Mundu Emmanuel (Independent) with 431 votes with 50 ballots rejected and a total of 27,915 votes cast. On that basis, the 1st Respondent was declared the duly elected member of Parliament for Bwacha North Constituency.

(r) The Petitioner will afer that totals declared by the returning officer of the 2nd Respondent. mr winston Kasonkomona do not correspond with the figures independently computed by the Petitioner and his agents from the Gen 20a Forms obtained directly from all tl1e 73 polling stations in the Constituency. accordingly, the declared results do not reflect the and lawful votes cast across all 73 polling stations in the constituency.

(s) The Petitioner will further after that the conduct of the 2nd Respondent's returning officer in the circumstances contravened the provisions of section 67(1)(3), 72(1)(6) and 92 of the Electoral Process Act no. 35 of 2016.

4. WHEREOF your Petitioner PRAYS for a declaration that:

(a) The Petitioner be declared duly elected member of Parliament for Bwacha north Constituency; and or

(b) The election of the 1st Respondent be declared void; and

Costs.

14. That I requested the 2nd Respondent's returning officer to avail me the record of proceedings for the last 11 polling stations so that I could verify them against the Gen 20a Forms signed by my polling agents. There is no"- produced and shown to me, marked "WNS", a true copy of the said letter.

15. That I have been advised by my lawyers in the firm of messrs. Malisa and Partners Legal Practitioners, which advice I verily believe to be true, that the 2nd Respondent's returning officer's failure to announce, or Verify the last 11 polling stations amounted to non-compliance and contravention of the electoral rules, thereby affecting the outcome of the election and rendering the election of the 1st Respondent Void.

16. That I make this affidavit to Verify the facts contained in my Petition and in support of the prayers sought therein, particularly for a declaration that the election of the 1st Respondent was void as it did not reflect the total actual votes cast from the 73 polling stations and that the Petitioner is the duly elected Member of parliament for Bwacha north.
